Newsletter – Friday 11th September 2020

This week in school....

This week has seen the launch of our new 'outdoor learning' sessions in each class and I am so pleased to report that everyone, pupils and staff, have thoroughly enjoyed this new addition to our curriculum. I hope that the children have told you all about it.

We have seen many children in school this week with the usual winter colds; which we fully expect. We all understand people are anxious, but it really is important for the children's future that they receive an education and only remain at home if absolutely necessary. It is also really important for the health and safety of every child in school and for the staff that if any child has a covid symptom that they do not attend school and get a test. Once a negative test is returned the children can then return to school. Thank you to all of the parents who have supported this, this week and I assure you that if we are notified of any positive tests I will communicate this, along with our actions, to you all immediately.
