Headteacher's Message.....

Firstly, I'd like to thank you all for your hard work, support and kind comments regarding remote learning this week. It is great seeing the children engaged with their work and socialising during such lonely times. A big thank you to everyone for joining in with the celebration assembly last Friday and I look forward to seeing everyone later today.

In addition to this I would thank all of the staff who continue to go above and beyond to provide this new level of remote learning and to those who are working with the children in school. I am very proud to be part of such a committed team.
