A message from the Headteacher....

We are pleased that we have all made it to half term! This first term in school is always a long one and with all of the challenges this year brings it has felt very long indeed. However, the children have been amazing, their resilience has been inspiring, and to see their happy faces and hear their infectious laughter has been wonderful. I would like to take this opportunity to thank all of the staff for going above and beyond in these difficult times, always with a smile on their faces and a kind word for everyone. Have a well-deserved half term break to all of the children and staff. Stay safe everyone and we look forward to welcoming you back on Monday 2nd November.

Parents Consultation Meetings

Thank you to all parents who took part in our virtual parents evening this week. There were a few technical glitches but it went really well. Many parents have commented that they much prefer it this way. Maybe it's the future!
